RYAN VARCO TUITION

> Expert tuition for ambitious students

About Ryan Varco Tuition

At Ryan Varco Tuition, I believe successful school admissions require far more than excellent teaching. They require the right strategy, personalised preparation and expert guidance for both students and parents.

I work alongside ambitious international families throughout the UK independent school admissions journey, combining admissions expertise, bespoke preparation programmes and expert tuition to help students secure places at leading UK schools while developing the confidence and independence to thrive long after the admissions process.

Admissions Expertise

Years of experience preparing successful applicants have given me practical insights into the admissions process that go far beyond what can be learned from prospectuses or school websites alone. I help families make informed decisions with confidence, providing strategic guidance from school selection through to successful offers.

Strategic Preparation

Every student follows a bespoke preparation programme tailored to their strengths, aspirations and target schools. Through detailed assessments, personalised learning roadmaps, expert tuition and regular progress reviews, every lesson forms part of a structured long-term strategy designed to maximise progress.

Beyond the Exam

Outstanding results are only part of the journey. Alongside helping students secure offers from many of the UK's leading schools, I develop confident, resilient and independent learners equipped with the skills, strategies and mindset to succeed throughout their education.

My Story

I"ve always believed that exceptional educational outcomes begin with exceptional preparation.

Over more than 12 years in education, I've worked as a teacher, senior leader, exam marker, curriculum developer and teacher coach. These experiences have given me a deep understanding of how children learn, what schools are looking for and how to help students achieve outstanding academic success.

As my tutoring work grew, I realised that ambitious international families needed more than expert tuition. They needed someone who could simplify UK independent school admissions, provide expert guidance and create a personalised strategy tailored to each child's aspirations.

That belief became the foundation of Ryan Varco Tuition.

Today, I work alongside families throughout the admissions journey, helping students secure exceptional entrance exam results and offers from many of the UK's leading independent schools.

Recent student offers include Eton College, Westminster School, St Paul's School, Harrow School, Wycombe Abbey, Cheltenham Ladies' College, Brighton College, Dulwich College, Sevenoaks School, King's College School Wimbledon, Tonbridge School and City of London School.

Following the birth of my daughter in 2025, I left school leadership to dedicate myself fully to Ryan Varco Tuition. My mission remains simple: to combine expert guidance with personalised preparation, helping every student achieve their ambitions while developing the confidence to thrive beyond the admissions journey.

Specialist Tutor
Ryan Varco

Entrance Exam Preparation

One to One Tuition

- **Specialist preparation for 7+, 8+, 11+ and 13+ entrance examinations,** ensuring your child is fully prepared for the assessments required by their target schools.
- **Comprehensive initial assessment** to identify your child's strengths, areas for development and readiness for their target schools.

- **Expert tuition in English, Mathematics, Verbal Reasoning and Non-Verbal Reasoning**, building the knowledge, skills and confidence needed for success.
- **Bespoke preparation programme** tailored to your child's strengths, areas for development and target schools, ensuring every lesson has maximum impact.
- **Monthly progress reports** outlining your child's strengths, next steps and priorities for the coming month, so you always know how they're progressing.
- **Detailed lesson feedback after every session**, keeping you informed about what has been covered and how you can best support your child at home.
- **Personalised homework** carefully selected to reinforce learning and accelerate progress between lessons.
- **High-quality practice materials**, mock examinations and proven exam techniques to build confidence, reduce exam anxiety and maximise performance on the day.
- **Guided independent study** using carefully selected online learning platforms and resources, including an **exclusive 25% partner discount**, helping your child make meaningful progress between lessons.

Set for Brighton College this September...

I just wanted to update you on some incredible news! C has now been offered a place at Brighton College. The school have told me across all of her exam subjects her grades are higher than the average scores of the other pupils. I'm certain that all your help has been a huge part of this. She is over the moon to go to BC with all of her friends

Maths Tuition

One to One Tuition

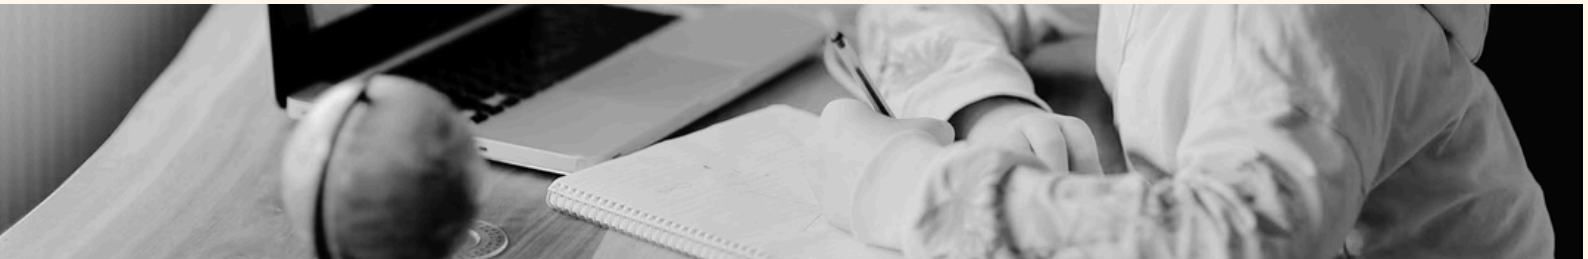

- **Comprehensive initial assessment** to identify your child's strengths, curriculum gaps and areas for development.
- **Personalised learning roadmap** providing a clear strategy towards your child's academic goals and ensuring every lesson has maximum impact.
- **Expert one-to-one tuition** covering arithmetic, reasoning, problem solving, algebra, geometry and advanced mathematical concepts, building confidence and mathematical fluency.
- **Lessons tailored to your child's individual needs,** helping them develop accuracy, resilience and independent mathematical thinking.
- **Monthly progress reports** outlining your child's strengths, next steps and priorities for the coming month's lessons, so you always know how they're progressing.
- **Detailed lesson feedback** after every session, keeping you informed about what has been covered and how you can best support learning at home.
- **Personalised homework and guided independent study** using carefully selected learning materials, online platforms and resources to reinforce learning and maximise progress between lessons.
- **Developing mathematical reasoning** through discussion, explanation and problem solving, helping students become confident, independent mathematicians.
- **Stretch and challenge opportunities,** including preparation for Maths competitions and higher-level problem solving for students ready to excel.

Transformed his attitude...

yan has transformed our son's attitude towards mathematics. What was once his most challenging subject has become one of his strongest. His lessons are engaging, supportive and tailored to exactly what our child needs. We have seen significant improvements in both confidence and attainment, and Ryan's feedback keeps us fully informed of his progress. We would highly recommend him to any family looking for high-quality maths tuition.

- **Personalised homework and guided independent study** using carefully selected learning materials, online platforms and resources to reinforce learning and maximise progress between lessons.
- **Literature and language appreciation,** fostering curiosity, cultural awareness and a lifelong appreciation of great writing.

Involved in her learning journey...

an has had a tremendous impact on our daughter's confidence in English. His lessons are engaging, challenging and carefully tailored to her individual needs. We have seen significant improvements in her reading comprehension, writing and vocabulary, but most importantly, she now approaches English with far greater confidence and enthusiasm. Ryan's feedback is always detailed and informative, and we feel fully involved in her learning journey.

What the parents say...

It's a headache to make a decision...

There is good news to share with Ryan, please say thank you to him from us and Jin qiao, Jin qiao got 2 offers from Wycombe Abbey and St Paul's. It's a headache to make decision now. Jin qiao couldn't have done it without him.

Assessment report was useful...

We were thoroughly impressed with Ryan's deep knowledge of what would be required to pass each test and his ability to identify the areas he needed to work on. The assessment report was particularly useful.

Engaging and challenging...

Ryan is so experienced with 11+ exams and helped to guide both our children successfully through the process. Each session is engaging and challenging. We could not recommend Ryan enough.

Support and direction throughout...

We have just recieved amazing news from Brighton College. She got into the school! I can't thank Ryan enough for all the support and direction throughout the process.

Grades improved so much...

Thank you you for all of your efforts Ryan! Thanks to all your sessions with him, he has passed the second stage of Eton exams. Today he has been offered a place at Eton!! His grades have also improved so much at school. Thank you for everything you have done.

What the parents say...

A professional tutor...

Ryan is a professional tutor, he will test student first and set a goal. My daughter studies with him for a long time, she loves his lesson and can focus on the homework that Ryan assigned. She gained her place to Tiffin School. Definitely recommend.

Support during a stressful period...

Thank you for your support and the time spent with my daughter during this stressful period. We have good news!! M got in!! Your guidance and ability to engage her have done this. We are so pleased with the outcome.

Encouragement and expertise...

Ryan helped Zachary secure offers from both Hurstpierpoint College and Brighton College. We are so grateful for all of his support throughout the process. His guidance, encouragement and expertise made a huge difference to Zachary's confidence, and we couldn't be happier with the outcome.

Looked forward to every lesson...

We were absolutely delighted when both Tabby and Yilin received offers from Wycombe Abbey. Thank you for all your support, guidance and encouragement throughout the process. The girls looked forward to every lesson and grew so much in both confidence and ability. We are very aware of how hard you worked with them and truly appreciate everything you did to help them achieve such a wonderful result

Please do not hesitate to contact me should you have any further questions.
